

Help Out on State Natural Areas

Bluff Creek Workday

Enjoy the late season blooms and help collect seed at Bluff Creek SNA. Come see what's blooming and help volunteers during our Southern Kettle Moraine SNA workdays. Enjoy a short hike to a wet prairie and identify native plants to collect their seeds. We will plant these seeds in restored areas to promote native plants in woodland and wetland plant communities. No skills needed you will be trained onsite.

Date: Fourth Thursday of the month

Time: 9am-noon

Directions: Hickory woods group camp. From Whitewater take Co Hwy P south past Hwy 12 about 2.5 miles and turn right on Hi-Lo road. Travel a short distance to the group campground south of the road. [Google map.](#)

What to wear: Dress for the weather and wear clothes that are OK to get beat up, long pants and long sleeves, boots, safety glasses (we will have extra).

What to bring: Sunscreen, drinking water, sturdy scissors (we'll have extra).

Contact: We prefer you RSVP to Jared Urban at jared.urban@wisconsin.gov or 608-228-4349 so we know who to expect. But if you don't get around to notifying, show up anyway. Call Jared if you need direction help.

Cancellation: If the workday is cancelled due to weather conditions, a message will be left on Jared's phone at 608-228-4349 at least two hours prior to the event. If there is no cancellation message, the workday will continue as scheduled.

Seed collecting
